Good Things to Remember

Johnson's Sewing Centre has been serving customers since 1969!

The THIRD Thursday of every month is **Threads Day!** Save 27% on ALL thread, from cotton to embroidery to serger. Mix & Match!

The FIRST Friday of every month is **Fat Quarter Friday!** Save 25% on all regular priced fat quarters, including our popular fat quarter bundles.

Save 15% on ALL regular priced merchandise (excluding machines, cabinets & service) the day before, the day of and the day after your birthday! ID required.

BONUS! Receive a 15% discount on ALL regular priced supplies purchased for any classes you register in!

CLASS SUPPLY LISTS are required for each class and are available in person, or online.

Important Class Reminders!

- * **Class registrations are non-refundable.**
- * Class supply lists are available on-line. Don't have internet access? A supply list can be printed off in-store at your request!
- * Please have your class supplies purchased **prior** to your class start date.
- * Please ensure your sewing machine is in good working order and that you have a working knowledge of your machine. It is always a good idea to have a printed copy of your machine manual along with you!
- * Unless you are in a beginner sewing class, it helps to know how to wind a bobbin and thread your machine.
- * All class supplies purchased for your class and during your class time will receive a 15% discount.

NOVEMBER Linnea's Sewing Club - Quilt As You Go Project Bag

\$60 - 5 Hours of Instruction

In Linnea's sewing club this month, we will make a set of two super simple patchwork projects bags - perfect for organizing supplies for sewing, paper crafts, or needlework or safely storing all the components of half-finished projects (not that we have any of those!). These sweet project bags are made using the quilt-as-you-go method, have vinyl front so you can see easily what is inside, and are constructed with a unique and easy zipper installation. Our kit includes the zipper, vinyl front, and preprinted stabilizer for the back of the bag. You can purchase fabric to use, or bring a collection of coordinating pieces from home for a scrappy look. A fun introduction to making a patchwork block, and a very useful finished project!

Linnea's Sewing Club

Meet up with fellow creative beginner sewists at Linnea's sewing club! We will sew for the fun of it and make simple seasonal projects suitable for gifting or keeping. Learn new skills while making easy projects with interesting variations in a relaxed environment.

If you have taken Linnea's Adult Learn to Sew class or you are confident using your sewing machine and have good basic sewing skills, you are good to go! (Note that this class is not suitable for absolute beginners – please register for Linnea's Adult Learn to Sew class instead to get started). A reliable sewing machine with a walking foot (available for most models of sewing machine at Johnson's) and a zipper foot, a rotary cutter, mat and quilting ruler will be required for some projects.

Sign up for one class or all! This session Linnea is running 3 club projects during the months of September, October, and November. Details for each class are on the following pages!

Memory Bear

\$48– 4 Hours of instruction

Pattern required

Memory Bears are special teddy bears made from clothing and belongings with sentimental value to you. They are meant to be meaningful friends, to be cuddled or displayed to celebrate a special person or event. In this one day class, you will learn how to make this precious project.

A Place For Everything

\$180 - 15 Hours of instruction (*Pattern Required*)

This spacious organizer stores and carries tools and supplies while providing visibility. This is a zippered case with removable pages. There are different options for the removable pages allowing you to choose the design and material that best serves your purpose. The pattern will provide the basis for this carrier but emphasis will be geared towards making alterations to the pattern to suit your purpose. Alterations will include pocket adjustments to carry the tools that you use the most, alternate handle alterations for ease of carrying, altering width of carrier to carry additional tools and personalization of the outer pockets. Homework will be required to complete this project.

Fall Foliage

\$108 - 9 hours of instruction (*Pattern required*)

Fall in love with 60-degree angles with Krista Moser's latest pattern, Fall Foliage. This pattern used the Creative Grids 60-degree Diamond Mini Ruler to cut a variety of shapes including diamonds, triangles, and trapezoids to make these beautiful fall leaves. There are two main blocks in this quilt, the leaves and the setting triangle units. These are made from simple shapes letting the fabric and shade do the heavy lifting to get the wow factor. This quilt is constructed into blocks first and then rows with no Y seams, making construction a breeze with well-illustrated step-by-step instructions.
