

JOHNSON'S

sewing centre

...home of Quilter's Dream

IMPORTANT COVID-19 UPDATE

With new COVID-19 restrictions being mandated by the Government of Alberta, Johnson's Sewing Centre and Quilter's Dream will be implementing new safety protocols to comply with these restrictions. We wanted to share an update on the continued and new safety protocols during your shopping and class experience at both store locations.

RETAIL SHOPPING SPACE

During your shopping experience, we have **continued** COVID-19 safety protocols in place.

- While shopping at both store locations, there are mandatory mask, social distancing and hand sanitizing requirements in place for the safety of our staff and customers.
- We will continue to provide curbside service and would be happy to assist you with your order over the phone.
- We will be operating at one-third of our fire code capacity to ensure a safe shopping experience for staff and customers.

CLASSROOM LEARNING SPACE

During your classroom learning experience at Johnson's Sewing Centre & Quilter's Dream we have **new** guidelines in place.

- As is required in the retail shopping space, masks are mandatory in all classroom areas.
- No food or drink is permitted in classroom areas.
- Classroom areas will be operating with a limited capacity of 6 students and one instructor.
- We require all students to present their COVID-19 vaccination record as provided by AHS to your instructor. Alternatively, if you are in the process of being vaccinated, please plan ahead in order to provide a negative COVID-19 PCR or Rapid Test result completed within 72 hours of the class. Those students currently registered in classes already underway will be contacted by store management.
- All students attending classes in person will be required to be **fully vaccinated 14 days prior to November 1st**. This is to provide a safe learning environment for all students and instructors!
