Favorite Piecing thread – preference is Aurifil

Thread Snips

Seam Ripper

Pins – sharp and fine (Clover silk pins are my favorite)

Fabric marker

Sewing machine needles – Microtex 75/11

Ziploc bags

Sticky notes

Fabric as listed on the pattern

For those who would like an alternate color way, use the list on the back of the pattern but substitute your colors that you want. Example: More spring like colors – Rather than red use pink, for mauve use peach and for white use softer yellows. Your fabrics still have to have variation to be effective.

Quilters Dream has brought in a selection of fabrics that will match the requirements listed on the pattern. You have the option to purchase a precut fabric kit. This kit does not include your background fabric. There are a limited amount of these kits available.
