

Adult Learn to Sew

Learn to sew! Gain confidence and learn the very basics of sewing in this **absolute beginner** class focused on simple straight-line sewing. Includes information about fabrics, thread, and notions as well as tips to help you make your projects look their best.

You will make a cushion cover, a lined tote bag, a cute pin cushion and a handy tool roll to keep your sewing or craft supplies organized. Class includes a printed booklet of notes, your own set of patterns to take home, and access to step-by-step tutorials for our projects. This is a relaxed, fun, no-stress class. Everyone is welcome!

Supply list for first class:

- Pen or pencil
- Sewing machine in good working order (including manual, bobbins, foot pedal, power cord, all accessories and feet that came with it)
- One small spool Gutermann thread, any neutral color
- Scissors (any kind will do for the first class)
- One hand sewing needle with large eye (such as an embroidery needle)
- If you have any sewing supplies at home, feel free to bring them – but please don't purchase anything new yet - we will be discussing notions in the first class

Fabric and supplies for subsequent classes will be discussed in first class.

Class kit required - \$10 payable at time of registration.

Kit includes class notes and supplies for pin cushion handed out in class on first day.
