

Pine Hollow

The pattern asks for 34 fat quarters. As you gather fabric, try to find contrasting colours and prints. You can use larger scraps or even 10" squares for some of the smaller blocks. If you have yardage, that will work too. You just need a good selection of contrasting fabrics.

- Sewing machine in good working order with manual
- Quarter-inch foot for your machine
- Self-healing mat, rotary cutter, and acrylic ruler at least 6" X 24"
- Neutral-coloured thread
- Marking tools and basic sewing notions: pins, seam ripper
