

Beginner Bargello Quilt

In this class you will learn some basic techniques of making a bargello strip quilt using only two fabrics. Your quilt will finish at approximately 45" x 60".

The first class will cover piecing the fabrics and cutting the strips. In the second class we will start joining the strips. The final class will include finishing the strips and adding the border.

For this class you will need:

- The pattern – Two Fabric Bargello – by Susie Weaver for Fun Fab Designs
- 1.6m focus fabric
- 1.6m ombre blend fabric (beautiful and unique ombre fabrics have been reserved for this class at both locations)
- 0.6m binding fabric
- Sewing machine in good working order with a new needle
- Thread to match your chosen fabrics
- Cuttingmat, rotary cutter (with a sharp blade)
- Fabric marking pencil
- 1/4" Preser foot
- Pins, seam ripper, scissors
- Enthusiasm!

I am looking forward to meeting you all and I know we will have a lot of fun in this class. See you soon.

Lynette B.
