

## **Have Ewe Any Wool** **Supply List**

Required supplies:

- Sewing machine in good working order and a good understanding of its basic operation
- Fabric requirements, as per pattern
- Have Ewe Any Wool pattern
- ¼" piecing foot
- Personal cutting station (rotary cutter, small cutting mat, appropriate size rulers. Personal stations help to maintain social distancing.)
- Personal pressing station (travel iron, preferably with steam capability, and small pressing mat. A pressing roller will not suffice for this class. Personal stations help to maintain social distancing.)
- Standard sewing notions (wonder clips, seam ripper, pins, etc., as you see fit)

Notes:

If you have any questions about the supplies needed for the class, I am at the north store most days. Give me a call there and I will be happy to answer your questions!

Please be respectful and turn your phones off, or at least to vibrate and take any necessary calls outside the classroom at your own risk of falling behind.

See you soon!

Bizz
